

Cary-Grove Transportation Waiver

Because Cary-Grove High School does not have facilities for all of its sports, some of our athletes must practice at facilities that are not on school grounds. The sports that may be affected are swimming & golf.

For these sports that do not have their practices at the facilities located at Cary-Grove High School, it has been necessary for the athletes and/or their parents to arrange for their transportation to and from these other facilities each day. We understand that situation and accept this responsibility until completion of the athletic season.

Athlete's Name (Print): _____

Athlete's Signature: _____

Parent/Guardian Signature: _____

Date: _____
