

## PASSENGER TRANSPORTATION WAIVER

I, \_\_\_\_\_, a student (“Student”) of **CRYSTAL LAKE COMMUNITY HIGH SCHOOL DISTRICT No. 155, McHenry County, Illinois** (the “District”), along with my parent/guardian, \_\_\_\_\_ (“Parent”), request that \_\_\_\_\_, an individual who holds a current and valid driver’s license recognized by the State of Illinois and operates a vehicle which is properly insured and functioning, be permitted to personally transport Student to and from swim team practice and/or competition at Woodstock High School during the 2015-2016 swim season.

I, \_\_\_\_\_, a parent/guardian of the Student have discussed the request with my child and hereby consent to allowing the aforementioned student to transport the Student to and from swim team practice and/or competition at Woodstock High School.

As a Parent of \_\_\_\_\_ (Student), I understand that it is my responsibility to ensure the following conditions are met:

- We understand failing to adhere to District policies could result in the loss of the privilege to personally transport Student to swim team practice and/or competition at Woodstock High School and could result in exclusion from the swim team;
- We recognize that transportation is offered by the District to Woodstock High School for participation in swim team practice and/or competition and that such transportation is available to the Student should he/she wish to use it. We shall notify the District when the Student requires such transportation; and
- In consideration of the District granting us permission to be transported by \_\_\_\_\_ to Woodstock High School, we, \_\_\_\_\_ (Parent and Student), hereby agree to release, indemnify, and hold harmless the members of the Board of Education of Crystal Lake Community High School District No. 155, McHenry County, Illinois, individually and jointly, and the Board’s administrators, officers, employees, and agents from any and all claims or liability whatsoever, however caused, including, but not limited to, a right to transportation services, reimbursement for transportation expenses, personal injury, property damage, costs of litigation, attorneys’ fees, and interest, which may result or arise from the transportation of the Student to swim team practice and/or competition at Woodstock High School as described above.
