

Gravelly Hill Athlete  
Permission To Stay After Practice

Dear parents/guardians of GHMS athletes,

In the event that your child wants to stay after athletic practice to watch another athletic event, we must have permission from a parent/guardian stating that they may do so. If they plan to stay after practice, they must inform their respective coaches about where they will be. Your child is expected to follow all school expectations at all sporting events, including being in the location in which they have stated they will be. If they are staying for an event, it will be assumed by the coach that you have already communicated with them and given permission to stay.

\_\_\_\_\_ I do give permission for my child to stay after practice for athletic events. **I understand that if my child does not follow school expectations and has to be disciplined by an administrator or other staff member while at the game/event, they will not be permitted to stay after practice in the future.**

\_\_\_\_\_ I do not give permission for my child to stay after practice for athletic events. They must always be picked up by me or an approved adult.
