CAMP GOAL

Provide players with the necessary instruction to improve their fundamental basketball skills and knowledge of the game. The camp staff will also work to instill in each player a passion for the game of basketball through value-based coaching: love the person, coach the player.

SESSION DETAILS – Greeneview MS Gym

Session 1 – Players entering 1st – 4th grades in the fall of 2019. Skill development will focus heavily on passing, catching, ball handling, cutting, and individual defense.

Session 2 – Players entering 5th – 8th grades in the fall of 2019. Skill development will focus heavily on shooting, footwork, decision making, playing without the ball, and individual defense.

Each player will have an opportunity to apply these new skills and compete in 1-on-1, 2-on-2, or 3-on-3 games and receive a t-shirt and basketball for participation.

USAB YOUTH BASKETBALL GUIDELINES

The coaching staff is focused on developing sound fundamental skills with our players. Our camp will follow the guidelines established by USA Basketball. These guidelines offer young players the best opportunity to learn proper fundamental skills using age-appropriate ball size, basket height, and game rules.
