**Please Return This Form and Your Payment to Your Student's Home Room Teacher or mail to McDougle Middle School 900 Fayetteville Road, Chapel Hill, NC 27516.**

**The McDougle Middle School Booster Club is a not-for-profit organization formed to support the athletic programs at McDougle Middle School. The all-volunteer Booster Club organizes fundraising events to raise money to support all MMS student athletes. Did you know?**

- In the last several years, the MMS ABC installed two new scoreboards in the gym, purchased and painted a new storage shed for athletic equipment, contributed to new team uniforms and recently replaced the outdoor scoreboard.
- In addition to funding special projects, the Booster Club also supplements the athletic budget provided by the school district. These additional funds enable the Athletic Department to purchase uniforms, equipment and essential supplies for our athletic teams.
- We recognize our student athletes and coaches by hosting sports banquets at the end of each season.
- Not only does the Booster Club support MMS athletic teams, it also provides funds to help improve school facilities and purchases equipment for the Physical Education department. These improvements and purchases are enjoyed by all MMS students.
- **OUR GOAL FOR 2016-17 IS A GATOR, cover for the basketball court, laser grade baseball/softball fields and other field improvements and continued support for uniforms and sports equipment!**
