

Welcome to Naperville North High School and Huskie Athletics

Since the first graduating class in 1977, Naperville North's Huskies have been a perennial powerhouse in the state of Illinois. Over the past 40 years, North has won over 200 DuPage Valley Conference titles, brought home 108 Final Four trophies in state competition and been crowned IHSA State Champions 22 times. The Huskies have also had hundreds of All-Staters and an impressive number of All-Americans and college athletes. Most importantly, thousands of students have left Naperville North proud to have been a part of something special.

It is essential that every student get involved in some way at North. It is our belief that structure equals increased academic and social success. Whether it is athletics, an activity or a combination of both, we encourage you to participate in what we have to offer so you can get the most out of your high school experience.

This packet includes information on our athletic offerings, sports registration dates and try-out dates. Please contact the head coach (list attached) of the sports your child is interested in or Athletic Director, Bob Quinn, at rquinn@naperville203.org for information on department offerings.

For more athletic information please visit our website, www.il.8to18.com/napervillenorth/. Additionally, if you have any questions about the Athletic Department or the many opportunities awaiting you at Naperville North High School, do not hesitate to contact us at (630)420-6490.

The entire staff at Naperville North cannot wait for you to join us as Huskies!

IMPORTANT INFORMATION

All registration for Naperville North Athletics is done on-line. You can find the link for this registration process at <http://il.8to18.com/napervillenorth/>. Please click on the “Announcement” link on the left-hand side of the website. If you have not used the site prior, you will need to create a log-in. If you have, use the log-in you created previously.

All student-athletes need a current (not more than one year old) physical on file in the athletic office. Freshmen must have two copies of their physical. One for school registration and one for athletics. All participants, including freshmen, must bring one of those copies to the athletic office. Any student-athlete whose physical expires before or during their sport season must complete a new physical in order to continue uninterrupted participation. Please keep this in mind as scheduling your child’s physical.

When you have completed the online registration packet for your student-athlete, you will be able to print a copy of your registration materials. Student-athletes are to report to the Naperville North Athletic Office on the appropriate registration day and time. Those are indicated on an attached sheet. When they report to registration at the appropriate time, they will need to produce these two items:

- A current physical
- A copy of the e-mail registration confirmation

When this task is complete, they will be given an “admission ticket” to tryouts. **By Illinois High School Association (IHSA) by-law, student-athletes will not be admitted to practice or allowed to tryout until they have this ticket.**

NNHS SPORTS SEASONS 2017-2018
