

4th Annual District 219 Boys Volleyball Team Camp

District 219 is offering a boys volleyball team camp for **incoming freshmen and current freshmen** with 9 practices and 5 match dates (12 matches total) from June 7 to July 18. This will be a great opportunity for current 8th graders to extend their jr high volleyball season and prepare for high school competition by playing side-by-side with current freshmen volleyball players. Our primary goal is to teach fundamentals and higher level volleyball skills (defensive positioning, 5-1 vs 6-2 offense schemes, adjust to higher net, and rotations) within a team structure. *This is not intended as an introduction to volleyball.* Similar to previous summers, we hope to form four or more teams with 8-9 players on each team. All practices and matches will be held at Niles North High School. This boys volleyball summer team camp will be staffed by District 219 coaches and is supported by both Niles West and Niles North Boys Volleyball Programs.

Team Camp **practices** and **matches** are tentatively set for:

Friday, June 7, 7:00-9:00pm

Saturday, June 8, 9:00-11:00am

Wednesday, June 12, 7:00-9:00pm
