

8to18 Registration Instructions

The following guide will explain how parents/guardians can create an account on 8to18, register students for seasonal sports, and how to register for summer camps. All students need to be registered on 8to18 and have a current physical on file with the athletic office to participate in any seasonal sports.

Please note: Registration should be completed by parents/guardians, not the student. Each registration includes important documents that both parent/guardian and student must acknowledge and accept in order for students to participate.

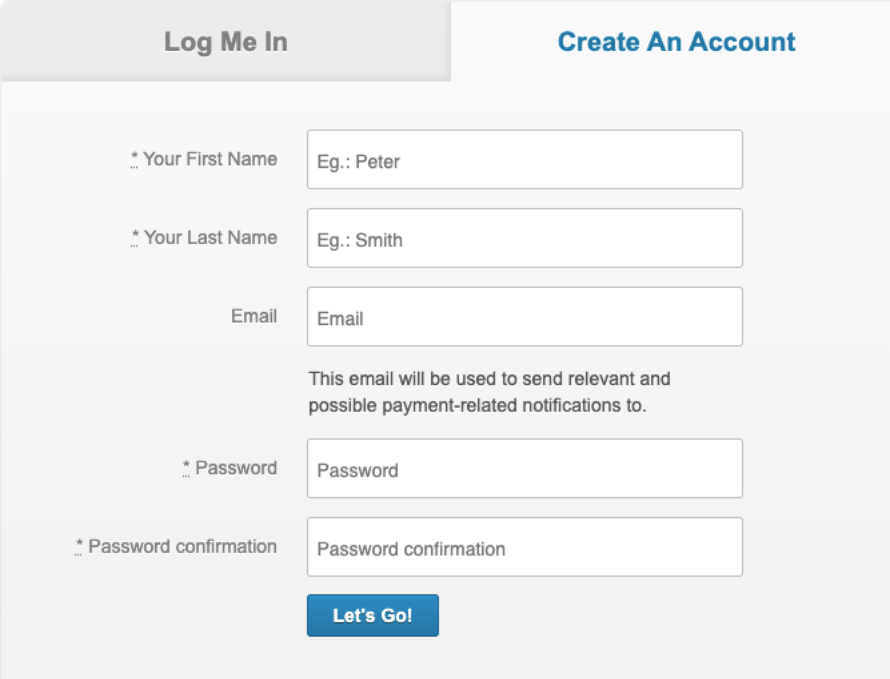

Registration on 8to18 is available here: <https://oaklawncommunityhs.8to18.com/accounts/login>
