# PICKERINGTON TIGERS ATHLETIC BOOSTERS

Here is why your financial support is so important to our Student Athletes.

- The Athletic Department is supported solely by the Athletic Boosters, Admissions to sports contests and individual/corporate donations
- The Pay to Participate Fee is generated in order to pay approximately 25% of the Coaches supplemental salaries and towards a small portion of bussing for athletes. These fees do not go to the Athletic Department or to the Athletic Booster Club
- The cost of bussing is paid for by the Athletic Department with help from the Athletic Boosters
- The Athletic Boosters financially support both Central's Athletic Department and individual Satellite Clubs.
