

Athletic Booster Club

2018-19

*information packet
for coaches & reps*

The Athletic Boosters Club is comprised both of parents and staff. Parents can hold the positions of Officers, Sports Reps or just Member of the club. We work closely with the Athletic Office who, in turn, works closely with the Coaches.

The Role of the Booster Rep

- 🐾 **VOTE** - Everyone is invited to provide input and make motions, however, the Reps are the *only ones* who make the decisions.
- 🐾 **BECOME A MEMBER** - With that kind of power, we ask that the Reps are paid members of the Boosters when voting.
- 🐾 **ATTEND THE MEETINGS**, as that is where the voting occurs. Refer to the general calendar for when “wish list” funds are typically allocated, which occurs three times per year. Voting on other matters occurs throughout the year.
- 🐾 **ASK PARENTS TO WORK CONCESSION DATES** - Each time slot will need one adult/coach to supervise and handle the cash box. Each lead adult slot(s) will sign up for the sport of their choice or the Athletic Boosters to earn \$25 for that time slot, plus 30% of the profit at the end of the winter season divided by the adult slots worked. Adult lead(s) please put in the comments who you are earning funds for. Your sport will receive the funds from the athletic dept. after the season. The Athletic Boosters are joining with the AD Dept. to run concessions. Students can still earn WALC and NHS hours by signing up in the designated slot. Children under 12 can't be in the stand for safety reasons. If you need to cancel, please give a 48 hour notice to fill your spot by emailing me at pchsathleticBoosters@gmail.com. Workers do *not* have to be a Booster Member (anyone over the age of 12 can work in the stand, although we ask that no one under the age of 19 handle the money). ***The Boosters have the right to change to non-shares at any season. The money then raised, will then go into the Boosters general fund.***
- 🐾 **PROMOTE THE BOOSTERS BY FORWARDING INFO** –Reps can share "important links", fundraisers, volunteers needed for concessions or other events with the Signup.com link, the membership form, and the scholarship form, etc. Reps can remind their teams of the monthly meetings and other important dates.
- 🐾 **PROMOTE BOOSTER MEMBERSHIP** - This can occur at the team meeting at the start of the season or during a break in a game (bring forms and direct parents to the Athletic Booster 8 to 18 website). Reps will be provided a list of Members on their team.

How Coaches Can Help

- 🐾 Everything listed above is optional, and Coaches are encouraged to tell their Rep what is most important for their team. If both are in agreement that the Rep needs parent e-mail addresses, the Coach provides that information (some teams internally identify a parent at each playing level to assist the Rep). All Coaches are encouraged to find a way to be represented all year, which may mean acting as the Rep or identifying a Rep/modifying expectations until try-outs have occurred, etc.

What is the Athletic Booster Club?

The mission of the Boosters is to provide support to the Athletic Department and Coaches in obtaining items which are not provided for in their operating budgets. We are annually looking for parents and athletes to help out with various tasks and events. Studies show that students do better scholastically when parents are involved in school activities so please consider joining the athletic booster club.
