The activities are designed to be safe for all participants and geared toward their individual abilities. ACCIDENTS may still occur. Therefore, I am requesting that you, the parent(s) or guardian of each participant, check your medical insurance to verify that your child will be adequately insured in case they may suffer an injury or accident during camp activities. This camp is an event sponsored by Pickerington Local School District.

I have investigated my insurance policy and I am satisfied that there is adequate medical insurance coverage for my child who will be attending the Tiger Football Camp.
