

Rock Island High School will continue to use their on-line system for sports registration. This is different than registering for school. This on-line service is for athletics only. To register your child for participation in interscholastic athletics, you will have to log onto our registration site at <https://rockisland.8to18.com/accounts/login> , create an account (if you don't already have one), complete all of the required fields, and acknowledge that you have read all of the required documents. Step by step instructions are below.

On-line Registration Instructions

1. Log onto <https://rockisland.8to18.com/accounts/login>.
2. If you created an account in the system previously, skip to step 4.
3. Create an account.
4. Log into your account and on the next screen click “**Begin Registration**” and follow the prompts.
5. On step 5, you will need to print out the **Physical Form**, complete it, and have the doctor sign and date it. **THE FORM MUST BE SUBMITTED TO THE ATHLETIC OFFICE PRIOR TO TRYOUTS/PRACTICE.** (If you have not turned in a physical, simply print this form for your physician.)
6. On step 6, **each** legal form must be accepted by **BOTH** the student and the parent/guardian. If both boxes are not checked you will not be allowed into step 7.
7. Once you have created your account, you will not need to repeat it. However, if your student is in multiple sports you will need to register him/her for each sport that they will be participating in. Also, you and your student must accept the legal form(s) for each sport. Registration will not be complete until this is done.
8. There is a one-time payment of \$45 to participate in sports at Rock Island High School. This will be done online as well. After you have registered your student in a sport you will login and choose “**Athletic Participation Fee Payment**” and pay with a credit card.
