February 18, 2019

Dear Parents,

Welcome to the Spring Athletic Program. I hope you will find this season an exciting and successful one for all involved. Please make sure you have registered at <http://il.8to18.com/Rosary> to receive emails, and also download the AP to keep track of results and to check if the event scheduled for the day is still happening. We will make every attempt to keep this updated as weather conditions alter plans. Notifications will occur after 2:00 pm. PLEASE REMEMBER ALL SCHEDULES ARE SUBJECT TO CHANGE!

Enclosed in this packet you will find, uniform order form and fees. The total fee is \$200 (\$150.00 participation fee, and \$50 Booster Membership). If you were in a Fall or Winter sport the Booster fee has been paid, you pay \$150.

The uniform order form shows what is mandatory (bold) and what is optional clothing. We will do initial sizing for clothing so when completing the form ask her what she may have listed as a size. Your daughter is expected to carry a "C" average in each subject weekly or be working to her potential. Her grades will be monitored weekly. The athletes' grades come first. If her grades drop, she would be expected to attend the study/work sessions offered in the class she is having trouble in. Three consecutive weeks of a below average grade will result in being suspended from competition.

Parents, you are asked to help drive to away games and we will try to have concessions at some home events. Please check the schedule and return the form below to me. A master work schedule will then be worked out. If workers are still needed it will be noted on the master schedule. If no response for volunteers is given, the number of participants at away events will be limited. The bus only can carry 14. We also may need a spring workday to spruce up areas. I will keep you informed of date this may happen.

Thank you for your help and support to the athletic program. Remember our fans also represent Rosary as well as our athletes THINK SPORTSMANSHIP! Please support your daughter's efforts in the activity she is involved in. The athletic department emphasize the importance of how they handle the calls by officials, the actions they display in and out of competition and being a "winner" in the attitudes they display even when losing. Please support what the program stresses. Our coaches are always willing to meet to discuss your daughter's skill level for her sport and help in the college search if she wants to play at the next level of her educational career. Please feel free to contact myself or the coach.

Please have the forms/payment returned in an envelope with her name and sport listed . Your daughter should bring paperwork to the gym. FORMS ARE DUE BACK by March 7.

Finally our Sports Booster's main fund raiser is coming up on March 31 - March Madness Fundraiser! We need your help and support to this event. Get a group together for the party. Donations of all kinds are needed. There will be raffles, silent auction and door prizes. It is a fun event! We also have NCAA boards you can get on. This event is what helps fund the needs of the athletic program.

Thank you for all you do for the athletic program.

Sincerely,

Mary Lou Kunold
Athletic Director
