All students planning on trying out for a sport must register online prior to the 1st day of tryouts for each sport he or she plays. Check the announcement section of the website for specific sport start dates each season. Additionally, all students who have registered must have a valid physical on file with the athletic office. Anyone who does not register online or turn in a physical will be unable to participate in a tryout or practice and risks not making the team. Please follow the steps below to register your child. If you have used the system before, please use the same username this time.
