*OUR PROGRAM WANTS YOU!*

---

**T**his program is about our players. Our mission is to consistently support our student-athletes in the classroom, on the football field, and in their everyday lives.

**R**eady to win. We strive to be successful as players, teams, and as a football program to compete for championships in the West Suburban Silver Conference and compete in the IHSA Playoffs.

**O**ur coaching staff always has and always will continue to take great pride in developing young men of character and treating our players as if they are their own sons.

**J**oin one of the largest extracurricular activities and programs at North High. Get involved starting in the summer and have a positive head start to your freshmen year.

**A**ll players are welcome regardless of previous experience. There are no cuts, there are two levels, and there are many opportunities to grow and play.

**N**o excuses, no regrets. We use this motto to guide our common values of commitment, integrity, and hard work.

**S**pecial. Be a part of a special program that has a rich tradition and a bright future. We need you to help make our program stronger!
