

# Fayette County High School Physical 2016

Required sports physicals for junior high and senior high students will be offered to students in the Miami Trace or Washington City Schools on June 16<sup>th</sup> from 5-8p.m. The physical exams will be at no cost to the student athlete.

Please note: The Physical Exams will be conducted at the Fayette County Memorial Hospital Medical Art Building #1 at 1450 Columbus Avenue, Washington C. H., Ohio 43160. Athletes will be assigned approximate times based on age by their school Athletic Directors.

Please read the following instructions carefully as the process has changed:

1. The Ohio High School Athletic Association Physical Evaluation Form must be completed as follows:
  - a. Parent and student to complete and sign page 1. Please answer all questions and sign at the bottom of the page.
  - b. Parent and student must complete and sign page 2, if the student has special needs or a disability (Please review the entire page). If the page is completed, please sign at bottom of page.
  - c. The student must print their name and date of birth on pages 3, 4, 5 and 6 of the form.
  - d. The student and parent must complete the Emergency Information Section including physician name, and student allergies on the bottom half of page 4.
  - e. The student and parent must complete and sign page 5 and 6 of the physical exam form and complete student specific information.
2. The Ohio Department of Health Concussion Information Sheet for athletics must be read and signed by the parent and the student. This signature form must be brought to the physical exam on June 16<sup>th</sup>.
3. Students will also receive a free Fitness/Muscle Testing screen by Fayette County Memorial Hospital Therapy Services and information on exercises to help prevent injuries.
4. The student should wear their glasses or contact lenses to the exam.
5. Students with chronic medical conditions must see their family physician for the physical exam for example, asthma, high blood pressure or diabetes.
6. Students who have been injured or who have had surgery within the last 6 months must have a medical release from their treating/specialty physician (example – orthopedic surgeon) to play a specific sport. (If the student does not bring the medical release the physical cannot be completed at this event.)
7. **All items in 1, 2, & 7 above must be completed or the physical exam will not be completed at this event.**

Thank you for your assistance in making this event flow smoothly for our athletes. We are dedicated to provide each student with the best possible screening physical examination. Our thanks to the Athletic Directors, Physicians, Providers, Athletic Trainers, Hospital staff and School volunteers for volunteering their time to provide this service. If you have any questions please contact the Athletic Directors at each school.

Aaron Hammond, Miami Trace– 333-4700 or Jon Creamer, Washington High School at 636-4221.

Sincerely,
