Answers to Questions You Might Have:

Is it mandatory to register online? Yes.

What if a student doesn't have internet or an email address? If you don't have an email address, both student-athlete and their parent/guardian will need to come to the WNHS Athletic Office to register. It's a simple process, but both parent and athlete need to be present to accept the legal forms. If you have an email address, you can always go to the Woodstock Public Library or a friend's house to register online.

What if my WNHS student-athlete is in a co-op sport with WHS? They must register online with the 'home school' for that sport (swimming and golf – WNHS, bowling – WHS).

What is the cost? Seasonal sports registration is now \$84, payable through our website once the rosters have been set, or through the school office. If you are applying for a fee waiver through D200, please stop by the main office to pick up and submit that paperwork ASAP. If you need to make payments, please stop by or call the athletic office for a payment code.
