

DATE: October 2, 2020
TO: ALL DGS STUDENTS AND FAMILIES
FROM: DGS Athletics
SUBJECT: Register for Winter Sports

Dear South High Students and Families:

Typically, this letter is focused on Winter registration and the process for registering. Due to COVID-19 and local and state mandates, we are not able to confirm what Winter sports will exactly look like at this time. What we do know is we need to start our registration process and have the required physicals ready for the **November 16th** start date.

Click Here to begin the [Registration Process on 8to18](#).

At this time, all athletes interested in participating in a Winter sport will need to register prior to the projected start date of November 16 for tryouts/practices. You must be registered in order to participate.

Scroll down to see current information about Winter sports and tentative tryout dates.

Our office and other individual sports will communicate with you on updates as we know them and we will also post information to our DGS Athletic Site [here](#).

Thank you for your patience as we continue to plan for a safe and successful Winter season for everyone.

Be Well,

Randall Konstans, C.A.A.
Athletic Director

- ***NEW...All Athletes must own and bring a face mask and individual clearly marked water bottles are mandatory.***
