

## **LEYDEN HIGH SCHOOL ATHLETIC TRAINING** **REFERRAL TO DR. McCALL & DR. LADEWSKI**

- Leyden High School is affiliated with Dr. Brian McCall. Dr. McCall is an Orthopedic Surgeon for Northwest Orthopaedics & Sports Medicine. He is the team Physician for Leyden High School, as well as Maine South and Taft High School, and a Medical Staff Physician for the U.S. Soccer Federation. Dr. McCall is a Sports Medicine Specialist who is passionate about working closely with athletes and athletic teams. He has the upmost respect for athletic trainers, and we are fortunate enough to work with Dr. McCall on a consistent basis. Dr. McCall makes himself readily available to Leyden athletes and our Athletic Trainers.
- Leyden High School is also affiliated with Dr. Michael Ladewski. Dr. Ladewski is a sports medicine specialist for Presence Resurrection Medical Center who is passionate about working closely with athletes and athletic teams. He has the upmost respect for athletic trainers, and we are fortunate enough to work with Dr. Ladewski on a consistent basis. Dr. Ladewski makes himself readily available to Leyden athletes and our Athletic Trainers.
- The relationship that both team physicians have with our athletic trainers promises to present the best possible opportunities for Leyden athletes to maximize their athletic potential. It also promotes an atmosphere where injuries can be handled efficiently and safely with effective communication between the doctor and athletic trainers.
- It is always the recommendation of Leyden's Athletic Training Staff for Leyden athletes to see Dr. McCall or Dr. Ladewski for any injury they sustain that requires a visit to the doctor. Please always contact us with any questions you may have.
- The safety and well-being of Leyden's athletes is Dr. McCall's, Dr. Ladewski's and Leyden Athletic Trainers ultimate goal.
- Both Doctor's offices are located in Norwood Park in the Resurrection Medical Center.
