

Lisle Senior High School Code of Conduct

It is our belief that a student who leads a disciplined life and follows the rules is able to perform to the best of his or her ability. A clearly defined code of conduct will promote consistency in behavior that will result in better overall performance for students involved in extra-curricular activities. Further since any student who is performing for Lisle Senior High School (LSHS) represents the school, an effective code of conduct helps insure that the school is portrayed in a positive fashion. Being involved in extra-curricular activities is a privilege and not a right. By establishing a set of criteria to access this privilege, the school district maintains the ability to make each activity a quality growth experience for every participant. By adhering to this code of conduct, students develop not only specific skills and talents, but also habits and behaviors that can be very valuable for the remainder of their lives. It is expected that all students who desire to participate will abide by these rules. **This code is in effect for the full calendar year.**

I. Conduct, Cooperation, and Personal Integrity
