

# Be Involved. Save Lives.

**OUR MISSION IS TO SAVE LIVES** by delivering cures to people diagnosed with life-threatening blood cancers through marrow transplants. But we can't do this important work alone. We work with amazing partners and volunteers like you to help the more than 14,000 patients in need of transplant. **JOIN US!**

## Bone Marrow Registry Drive

Every three minutes someone is diagnosed with blood cancer. Thousands of patients with blood cancers like leukemia or other diseases like sickle cell anemia need a marrow transplant to survive. Most patients don't have a fully matched donor in their family – and they turn to BeTheMatch. Patients and their families depend on BeTheMatch Registry members who are committed to saving a life.
