PARENTAL PERMISSION TO PARTICIPATE IN ATHLETIC AND EXTRA CURRICULAR ACTIVITIES

I am aware that said insurance plan offered by the school covers any accidents in which a student may be involved through participation in school-sponsored sports/activities, excluding football, which is separate from school insurance. Even though participation and practice are conducted within the rules of the sport/activity under the instruction of a coach/activity sponsor, I am aware of the serious risk of injury including death which may occur. By affixing my signature to this form, I affirm that I have read and understand all the rules governing student participation in the District 308 athletic/activity program. I give my son/daughter permission to participate in athletics/extracurricular activities in District 308.

CODE OF CONDUCT: Athletic and Extra-Curricular Activities

The district particularly expects student participants to meet high standards with regard to academic requirements, honesty, school citizenship, and sportsmanship. Students whose behavior or conduct does not meet this standard will lose the privilege of participating in district sponsored or organized athletic and activity programs. School-sponsored or supported athletic and extra-curricular activities include, but are not limited to: all activities sanctioned by the IHSA.
