### **Introductions**

**Minutes:** We did not have August minutes to review so will do so at the November meeting. There were no September minutes to review as there were not enough board members to make a quorum.

**Financial Report:** Reviewed by Marcy Turnquist

We finished paying off the final level 4 ask for athletics. There should be no more of these asks as we are now in the new financial set up with sports doing their own fundraisers and paying for those asks themselves.

The balance is just over \$50,000

## **Committee Reports**

### **Membership:** Reviewed by Dave Sharp

- The new website is 90% done and will definitely have it up and running by the next board meeting.
- We will be able to take money through the new website including selling yard signs online.
- We are making the old o-line site a subsite on the new one because they have the ability to order apparel online which includes children sizes. Once we are able to find a company that can do this then we might no longer need it.

### **Sportswear:** Reviewed by Kathleen Sharp

- There are only 40 crosstown shirts leftover and will sell 2/\$10 at remaining football games.
- We ordered football playoff shirts for the first time to sell. Will have short and long sleeved. There was some debate on how this will work because Coach Cooney orders shirts for his players and sells the extras. Darren was checking with him to make sure we are not overstepping. Logo looks great and maybe next year will wait until have scores for all regular season games for the back.
- Craft show is on 11/3 and will be there selling all of our inventory.
- Next year Crosstown shirts
  - Will have a contest for the students to create the logo for the shirts in the spring
  - Will pre-sale shirts and have more options (i.e. long sleeved, sweatshirts)

### **Concessions:** Reviewed by Sam Steinbrecher

- Will try selling packaged muffins at the morning games (only 1 left) instead of doughnuts.
- Still need volunteers for last home football games.
- Options of new setup for volunteers
  - OE has a program set up for each session you volunteer a set amount of money goes to the sport of your choice.
  - Another option is setting up a program of work so many total hours and receive something as a parent or money back to your program.
  - Suggestions for this from anyone should be emailed to Sam at [ssteinbrecher308@yahoo.com](mailto:ssteinbrecher308@yahoo.com).
