Boosters are gearing up for some BIG changes this year in our fundraising and our events. We are working on kicking off a HUGE fundraising campaign over the next few years that will raise money for the large ticket facility updates needed at our OHS Sport Facilities. This will be a large undertaking and we really need the support of our current Panther families as well as future Panthers and Alumni.

Some ways to help raise the money and bring our Booster Members together we are gearing up for another Bowling for Boosters event in late February/early March as well as adding a 5k Color Run on April 6th (possible food truck event as well). With this we are looking to add some Sub-Committees to help run not only these but our Pantherfest and Concessions for next year. The sub-committees will work under our VP of Activities. We are looking for a lot of enthusiasm and a willingness to try something new. If you would like to join one of the sub-committees or have any questions please contact Sam Steinbrecher at [ssteinbrecher308@yahoo.com](mailto:ssteinbrecher308@yahoo.com).

The Booster Board is very excited for this new chapter and look forward to a larger participation from our fellow Panthers!!!
