*"GREAT job of SAT prep! Thanks to all the staff-flexible, knowledgeable, supportive, and motivational!"*

*-Jane M, Parent of a Huntington Learning Center – Oswego student*

*"My son went to Huntington for one-on-one ACT prep. The staff was wonderful to work with, flexible around his schedule, and very supportive. He improved his score eight points; eleven on Science alone. We are so pleased with the guidance, support, and recommendations they provided to him through the process. I would highly recommend Huntington to anyone trying to maximize their ACT/SAT score."*
