Dear Storm Families,

I know that there are many questions regarding athletics and the adaptive pause that was announced by Superintendent Sanders Monday night as well as the statement from the IHSA on Tuesday. For those of you that are unaware, School District U46 will be taking an adaptive pause beginning on November 23rd, and as of now going through December 4th. This decision was made in conjunction with the Kane County Regional Office of Education along with the Kane County Health Department. This adaptive pause means that all in-person instruction and activities must be put on hold. This does apply to athletics as well, please understand that this does not mean your season is canceled. IHSA statement from Tuesday in regards to a winter season pause, is still unclear at this time what that means. The IHSA has a meeting on Thursday and we hope to gain more information after that meeting.

What this means for the South Elgin Athletic Department is that we will be on hold, for in-person activities, during this time as well. We will continue to practice through the end of this week. We will conclude the week with our scheduled picture day on Saturday November 21st. When the pause begins on Monday November 23rd we will not be able to hold any in-person practices or competitions. Our coaches will still work to provide virtual opportunities to our student athletes during this time.

Please understand that we will need to be prepared to adjust during this pause as we get closer to the end of the scheduled pause. Through all of this I appreciate all of our coach's dedication and flexibility to serve the needs of our student athletes. I also appreciate all of our family's flexibility and responsiveness during these times. Through all of this the South Elgin Athletic Department is dedicated to provide opportunities and the best experiences possible for our student athletes. While we understand that this situation is not ideal we are still dedicated to support all of our student athletes. If you have any questions please feel free to reach out to me.

Thank you again for supporting South Elgin Athletics. We look forward to updating you soon.

Sincerely,
