

Parent Login Instructions

Instructions:

To access PowerSchool online: go to <http://ps.d94.org>

Please contact PowerSchool@d94.org if you have forgotten your login information. If you do not have an active account, you will need to Create an Account. Fill in your information, including a password which must be at least 6 characters.

Under Link Students to Account, enter the Name, Access ID and Access Password (they are case sensitive!). PowerSchool allows you to have multiple students attached to one parent account. So, if you have more than one student in our school, find this sheet for each of your students' and enter the information about each student on this page. Click Enter when finished.

You can now enter your new Username and Password. If you entered multiple student Access IDs, you should see buttons on the upper left to switch between your students information. Also, please review & accept to complete the forms.
