PARENT/COACH RELATIONSHIP

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. When your children become part of the WVHS Athletic Program it is important that the established expectations and lines of communication are clearly understood.

COMMUNICATION YOU SHOULD EXPECT FROM YOUR COACH

Each coach will establish a pre-season meeting for the purpose of understanding and communication. Some of the topics that will be discussed at these meetings are:

- ◇ Philosophy of the coach.
- ◇ Behavior expectations of athletes participating in the sport.
- ◇ Proper use of the locker room/locker room security.
- ◇ Attendance expectations for practices and games.
- ◇ Dress code for games and matches.

EXPECTATION OF WVHS PARENTS

- ◇ Notify coaches of ANY injury or illness that our staff may not be aware of.
- ◇ Be Positive– Being on one of our high school teams is an accomplishment.
- ◇ Be Supportive– Nothing can erode teamwork faster than athletes doubting the capabilities of their coaches.
- ◇ Communicate fairly and openly with our coaching staff.
- ◇ Be a good role model– Demonstrate positive behavior and good sportsmanship as a fan.
- ◇ Read, understand, discuss, and MOST OF ALL monitor the Athletic Code of Conduct.
- ◇ Attend pre-season meetings.
- ◇ Learn the rules of your particular sport.
- ◇ Encourage commitment and positive values.

It is very difficult to accept your child's not playing as much as you may hope. Coaches are professionals. They make judgment decisions based on what they believe to be best for all students involved.

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES

- ◇ Playing time
- ◇ Team strategy
- ◇ Play calling
- ◇ Other student/athletes

DO NOT attempt to confront a coach before or after a practice or contest. These surprise meetings rarely accomplish anything and do not promote resolutions. Call or ask the coach for a time to meet.

ISSUES THAT ARE APPROPRIATE TO DISCUSS WITH COACHES

- ◇ The treatment of your son/daughter.
- ◇ Various ways to help son/daughter improve.
- ◇ Concerns about your child's behavior
- ◇ Concerns about academic eligibility.

COMMUNICATION COACHES EXPECT FROM PARENTS

- ◇ Concerns expressed directly to the coach.
- ◇ Notification of any schedule conflicts well in advance
- ◇ Specific concern in regard to coach's philosophy and/or expectations.

As your children become involved in the programs at Waubonsie Valley High School, they will experience some of the most rewarding moments in their lives. It is important to understand that there also may be times when things do not go the way you or your child wishes. At these times discussion with the coach is encouraged.

PROCEDURES & LINES OF COMMUNICATION TO FOLLOW

1. Communication between player and coach to resolve problems and conflicts.
2. Communication between parent and coach to resolve problems or conflicts.
3. Communication between athletic director, parent, athlete, and coach to resolve conflicts.
4. Communication between principal, athletic director, and parents to resolve conflicts.
