Chapter 1: RevitaZen™ Detoxification Blend

Detox the dōTERRA Way

What's RevitaZen?

Daily toxin exposure is inevitable and can gradually burden your natural detoxification systems—especially the liver, kidneys, and digestive tract. Even with a clean lifestyle, environmental pollutants and internal stressors can disrupt your body's ability to maintain balance.

RevitaZen Detoxification Blend is optimized with key essential oils that, based on preclinical research, provide daily support for healthy organ function and promote the body's natural detoxification process when used internally.*

Unlike harsh detox products that focus on quick fixes, RevitaZen works in harmony with your body to encourage long-term wellness.*

Why You'll Love RevitaZen

- Supports healthy liver function, according to preclinical research, and delivers antioxidant protection with Tangerine, Rosemary, Geranium, and Ginger essential oils.*
- Aids healthy digestion and colon function with Ginger essential oil, according to preclinical research.*
- Supports kidney health and the elimination of excess water through natural diuresis, based on traditional use of Juniper Berry.*
- Aids detoxification with Cilantro essential oil antioxidants, which are crucial for counteracting free radical damage inherent in the detox process.*

Chapter 1: RevitaZen™ Detoxification Blend

Detox the dōTERRA Way (Cont.)

How to Use RevitaZen

- Add one to two drops to citrus drinks, teas, or water.
- Place three to four drops in the diffuser of your choice for a refreshing, citrusy aroma.
- Mix one to two drops with one to two tablespoons of Castor Oil. Apply diluted directly to the skin or with a castor oil pack.

Caution: Avoid sunlight and UV rays for at least 12 hours after applying the product.

Key Ingredients

Each essential oil in RevitaZen™ blend plays a targeted role in promoting whole-body detoxification and organ harmony when used internally.*

Tangerine

Rich in limonene and other antioxidants, Tangerine essential oil helps protect liver cells from oxidative stress and supports healthy bile flow.*

Rosemary

Often used in traditional detox practices, Rosemary essential oil supports liver enzyme activity and acts as an antioxidant shield, based on experimental research.*

Geranium

Geranium essential oil brings a balancing, harmonizing influence. It helps soothe the nervous system and supports liver and kidney function, according to preclinical research.*

Juniper Berry

Juniper Berry essential oil supports gentle kidney cleansing and encourages healthy elimination of excess water and metabolic waste, based on preclinical research and traditional use.*

Cilantro

Traditionally used for full-body cleansing, Cilantro essential oil supports natural detoxification and provides antioxidant protection across multiple systems, according to experimental research.*

Ginger

According to preclinical research, Ginger essential oil supports digestive health, helps regulate liver enzymes, and soothes the gut, enhancing the breakdown and elimination of toxins.*

Chapter 3: Castor Oil

The Gold Standard for Self-Care

What's Castor Oil?

dōTERRA Castor Oil is a nourishing carrier oil that supports daily wellness and self-care routines. USDA Certified Organic, cold-pressed, hexane-free, and vegan-friendly, it's rich in ricinoleic acid—a rare omega-9 fatty acid—and other beneficial omegas that deeply moisturizes skin and hair.

This versatile oil offers a natural way to care for your skin, hair, and body daily. Castor Oil is bottled in protective amber glass and tested to meet trusted dōTERRA quality standards.

Why You'll Love dōTERRA Castor Oil

- Deeply nourishes the skin for a soft, smooth appearance..
- Supports healthy-looking hair and scalp.
- Soothes and comforts as part of a castor oil pack routine.

How to Use Castor Oil

- Apply one to five drops topically to moisturize and revitalize the skin.
- Massage into the scalp with Rosemary and Peppermint essential oils to nourish hair and roots.
- Use one to two tablespoons as part of a castor oil pack routine over the abdomen or where needed.
- Use topically with Yarrow|Pom and Frankincense essential oils for facial care.
- Apply to the navel as part of a wellness routine.

Key Ingredients

Ricinoleic Acid

dōTERRA Castor Oil is rich in ricinoleic acid, a unique fatty acid not found in any other plant. Research suggests it supports the skin's barrier, enhancing moisturization and slowing natural moisture loss. As a result, Castor Oil helps keep your skin soft and protected.
