Generations United's Seniors4Kids raises the voices of older adults in support of policies that help vulnerable children and youth thrive. Seniors4Kids advocates for important investments such as quality early care and education from birth to eight; early literacy and grade-level reading; home visiting; and school breakfast and lunches.

Join us in our efforts to support our children's futures. For more information or to signup, visit: **www.gu.org**. You can also share local and state advocacy news in our **Seniors4Kids Facebook group**. Please encourage other 50+ adults to get involved.
