8	He didn't like working on the farm either.				
	He was more interested in machines.				
	He wanted to understand how things worked.				
	Henry was very interested in watches. He wondered how they worked.				
	In order to find out, he took them apart and then put them back together again.				
	He used tools that

9	he made himself.				
	He became very good				
	at fixing watches.				
	Henry was also very interested				
	in engines.				
	Henry thought about engines				
	all the time. He wanted to learn				
	everything about them.
