LEED v4

LEED is a certification program that rewards the use of sustainable building practices

A textile or wallcovering may contribute to LEED points under the "Materials and Resources" section by meeting one of the following criteria:

1. It has an Environmental Product Declaration (EPD)
2. It's ingredients are disclosed using one of the accepted documentation methods
3. It has 100% recycled content

Pollack/Weitzner products that contribute to LEED v4

U = UPHOLSTERY

W = WINDOW

WA = WALLCOVERING
