🌴 Meet the Gibbs! 🌴

**Caleb and Charity Gibbs — along with their children — serve in Jamaica with ABWE,** seeking to strengthen local churches through training, discipleship, and practical ministry.

Over the past year, much of their ministry has focused on **providing relief following the hurricane and helping coordinate rebuilding efforts.** As opportunities allow, they continue their primary ministry of supporting churches through training and helping pastors and believers grow in their faith.

**Address:** P.O. Box 197, Reading Post Office, St. James, Jamaica, W.I.

### **Praises**

-  After nearly a year, Charity's classroom has finally been repaired! With the classroom restored, she hopes to help rebuild the library and resume helping children learn to read. Their children have also recently started school.

### **Prayer Requests**

-  **Wisdom and strength** as they balance relief, rebuilding, and their ongoing ministry.
-  **Continued opportunities to strengthen and train churches** throughout Jamaica.
-   **Rebuilding the library** and resuming Charity's reading ministry with children.

### **Our needs**

-  Repair of their **house roof**, which is the responsibility of their landlord since they are renters.
-  **Funds to replace furniture damaged by termites.**
-  Various items from their ministry needs and wish list, including a laminating machine.

**Thank you for praying for and encouraging the Gibbs as they serve Christ, strengthen churches, and help meet practical needs in Jamaica!**
