

## QUEEN OF APOSTLES PASSIVE FUNDRAISER INFORMATION

The PTO’s purpose is to promote the mission of Queen of Apostles Catholic School and serve as an instrument to help unify the efforts, time and talents of the students, parents, teachers, administration and pastor. We help bring Catholic education into the home so that parents and teachers may cooperate in the religious education of the children. We organize volunteers for designated school needs and sponsor and organize fundraising activities to supplement Queen of Apostles Catholic School’s financial needs as defined by the Pastor or Principal. We need, and greatly appreciate, your help in reaching our fundraising goals each year.

The easiest way to help raise money for Queen of Apostles is through our “passive fundraisers”. These passive fundraisers are a simple and automatic way for you to contribute funds needed for our school.

**During the 2015-2016 school year these programs generated \$12,416.89 for our school.**

Companies offering these fundraising programs donate a percentage of your total qualifying purchases to our school. These programs are offered at no cost to Queen of Apostles Catholic School, the PTO, or you. None of your personal information is shared with any third party, including members of our school administration or PTO.
