

**Term Position**  
**Community Programming Co-ordinator**

**Job Description:**

**Racquetball Canada requires a Community Programming Co-ordinator for a term position effective September, 2020 – March 31, 2020. The successful candidate will be responsible for the overall coordination/development and implementation of Racquetball programming at the local level by working with Provincial Sport Organizations.**

**Responsibilities and duties:**

- Develop and implement videos and resources to help local coaches recruit and develop novice racquetball players within each province in Canada;
- Update and implement the Racquetball Canada Badge system at the club level;
- Work directly with Provincial Sport Organizations, specifically Saskatchewan Racquetball Association, to implement programming at the club level;
- Train community coaches in the NCCP Community Coach using virtually available coaching courses;
- Train community coaches in the Learn to Play Racquetball Program; and
- Support, market and implement current Racquetball Canada programming at the club level.
- Support, promote membership and help to grow membership at the local level in each province

**Qualifications and Experience:**

- Strong knowledge of Racquetball;
- Strong knowledge of Coaching and Developing Racquetball programs;
- Strong knowledge of the Racquetball club system;
- Has completed NCCP Coach Education; and
- Has completed NCCP Safe Sport Training.
