Arms Wide Open Childhood
Cancer Foundation and
the Truth 365
by March 31, 2017

Bear Necessities Pediatric
Cancer Foundation
June 30, 2017

START OF GRANT TERM
All funded grants will start
on July 1, 2017

THE COLLABORATION INVITES LETTERS OF INTENT
• Basic Science Research
• Clinical Translational Research
• Alternative Therapy Studies (using natural agents, integrated, personalized or holistic approaches)
• Survivorship and Palliative Care Studies

THE COLLABORATION INVITES LETTERS OF INTENT
• Grants are for one or two years support. At the end of the award, you may apply for additional funding the next grant cycle
• Each funded grant will be awarded up to $50,000 per year

LETTERS OF INTENT
All interested fellows must complete the online application LOI sections following guidelines detailed below:

Title Page
• Project Title is limited to 75 characters.

Project Summary
• Layman’s Summary suitable for general audience limited to 2,000 characters or less.
• Scientific Abstract suitable for technical audience limited to 2,000 characters or less.
• Brief description, 1,000 characters or less, of the applicant’s major research interests and expertise.
• Brief description, 1,000 characters or less, of fellow’s mentor’s major research areas and expertise.
• Research Category List (select all that apply)
• Cancer Site List (select all that apply)

SUPPORTING DOCUMENTS
• Biosketch formatted to 2016 NIH Guidelines
• Career plan, limited to 1/2 page, describing applicant’s career plan in pediatric oncology.
• Fellow Applicant’s Department Head Letter of Support
• Letter of Intent (limited to 2 1/2 pages including header) must include a scientific abstract providing a clear concise overview of the proposed cancer research project, limited to 1/2 page. State the Specific Aims, Rationale and Approach, Innovation and Potential for Translational Application and Future Patient Benefit.
• Fellow Applicant’s Primary Research Mentor Letter of Support
• Relevant references must be attached and are limited to 1 page

All LOIs will be vetted through the competitive peer-review process. Based on scores, a limited number of applicants, whose LOIs are deemed most meritorious, will be invited to submit full research proposals to be considered for the available grants. All LOI applicants will receive an email on or before November 24, 2016. The full application submission process will open December 1, 2016.
