

In order to be considered into the “National Club” rankings, there are certain criteria that USclubrankings specifically follows. The first criteria is that the club must have at least 3 teams in different age groups ranked in the top 100 of the National rankings, in order to be considered. We then take the top team in each individual age division from your National ranking and put a point total to it based on that team’s rank.

National Rank: for your club’s highest ranked team:

- 1st - 100pts
- 2nd - 99pts
- 3rd – 98pts
- 4th – 97pts
- 5th – 96pts

We then multiply the point total by a weighted percent pre-established based on the varying importance of each age division (Ex: older age groups are weighted more heavily based on college recruitments, coach strength, etc).

- 14’s are weighted 10%
- 15’s are weighted 15%
- 16’s are weighted 25%
- 17’s are weighted 25%
- 18’s are weighted 25%

We add your points from 14’s to 18’s for your total score.
