

EMPLOYEE GIVING CAMPAIGN

When You Give, Good Things Happen

April 29 – May 3, 2019

Philanthropy is vital to Union's ability to maintain its role as a healthcare leader in the Wabash Valley. Last year, our employees generously contributed \$120,564.25! Here's your chance to join more than 650 of your fellow co-workers and become a member of Foundation Nation by participating in the Employee Giving Campaign.

The Employee Giving Campaign is the only fundraising effort that directly benefits our patients, your co-workers, our hospitals, medical clinics and community.

100% is tax deductible. 100% of your donation stays in the Wabash Valley. 100% makes a difference! Check out the reverse side to see how these employee gifts combined with community support improved lives. **When you give, good things happen!**

HOW TO GIVE
