444 Series Wood Base Cabinet Modular Pullout Organizer from Rev-A-Shelf®

Knives, cooking utensils, spices and more.... The 444 Series Wood Base Cabinet Modular Pullout Organizer from Rev-A-Shelf® can store it all! This door-mounted pullout features natural maple construction, chrome round wire rails, BLUM soft-close slides, and eight included polypropylene bins: one modular utensil bin, one modular knife bin with six knife slots and a bin in the center for various kitchen gadgets and six modular spice bins. These bins are fully removable, dishwasher safe, and can be used in any configuration. The unique design is double-sided and can be used in a 9" full-height or door/drawer base cabinet, depending on the bin arrangement.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf®, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting® brand, Rev-A-Shelf® offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
