February 27, 2024

4DMKB Series Wood Door-Mount Tip-Out Knife Block from Rev-A-Shelf®

Now you can ditch the clunky countertop knife block with the 4DMKB Series Wood Door-Mount Tip-Out Knife Block from Rev-A-Shelf®. This durable and practical organizer is the perfect way to maximize storage space and keep your knives neat and accessible. The organizer has a natural maple frame with a unique tilt-out feature for even greater accessibility (and a strong magnet to prevent it from tilting open when not in use). The knife block is fully removable for easy cleaning and features Flex-Rod Technology to hold up to eight knives securely in place. Plus, this storage unit is easy to install and will fit any standard 18" base cabinet door. If you are worried about curious little hands, the 4DMKB Series can be used in conjunction with our Rev-A-Lock (sold separately) for greater peace of mind.

4DMKB-18-1 - Wood Door Mount Tip-Out Knife Storage Organizer

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf®, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting® brand, Rev-A-Shelf® offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
