## **4WCWM Series Wood Bottom Mount Waste Management Center by Rev-A-Shelf®**

If you are looking for an all-in-one solution for your trash, recycling, and/or organic waste... your search is over! Rev-A-Shelf® is proud to introduce the 4WCWM Series Wood Bottom Mount Waste Management Center. Designed for 24" base cabinets, these units feature two 35 or 50 qt. Silver polymer waste containers with one green lid and either two 8 L containers with lids that perfect for composting (4WCWM-4) or extra storage space to hold cleaning supplies (4WCWM-2), and a vinyl-lined side storage compartment. The two small bins included with the 4WCWM-4 models are all held securely in place with a beauty ring that is removable for easy cleaning. On both models, the stunning 21" dovetail maple box series boasts a reversible design, glides out smoothly on BLUM soft-close slides and can be used in conjunction with a TIP-ON mechanism or BLUM SERVO-DRIVE (both sold separately).
