4WDR Series Drying Rack Drawer from Rev-A-Shelf®

Hang dry your delicates in style with the all-new 30" 4WDR Series Drying Rack Drawer from Rev-A-Shelf®. This complete drawer system installs into your existing base cabinet drawer; you only need to attach your drawer front! Open the drawer and unfold the arms to reveal additional drying space. It features two placement positions for flat drying or hang drying your laundry, 15 rust-resistant stainless-steel rods, and a stunning natural maple frame. The best part? The rack is easy to use and can be folded and unfolded in seconds, making it the perfect no-hassle addition to your laundry room.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf®, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting® brand, Rev-A-Shelf® offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
