**For Immediate Release**

**February 27, 2024**

## **544KD Series Undersink Cleaning Caddy from Rev-A-Shelf®**

Cleaning just got a whole lot easier with the redesigned 544KD Series Undersink Cleaning Caddy from Rev-A-Shelf®! This caddy glides out of the cabinet for easy accessibility, but then you can fully remove it and take it with you anywhere in the house. Robust rubber feet allow you to set it down without worrying about damaging any surfaces. It features a top tray that is ideal for holding paper towels or sponges, a comfortable handle for easy carrying, and a spacious lower compartment for all of your cleaning solutions and sprays. Designed for 30" sink base cabinets, unique configuration fits around plumbing.

#### **About Rev-A-Shelf LLC.**

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf®, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting® brand, Rev-A-Shelf® offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
