Bi-Directional Waste Container Lids by Rev-A-Shelf®

Introducing an innovative solution to streamline kitchen waste management: the Bi-directional Lid by Rev-A-Shelf®. Designed to offer unparalleled convenience, they can be effortlessly affixed to open from front to back or left to right, providing easy access from multiple angles. Two sizes are compatible with both 27 or 32 qt. Rev-A-Shelf® waste containers (sold separately), these versatile lids come in multiple color options to seamlessly integrate with your waste and recycling needs. Crafted from injection-molded Polymer plastic, it is engineered for exceptional durability, ensuring long-lasting performance in any kitchen environment. Say goodbye to cumbersome lid arrangements and hello to effortless waste disposal with the Bi-directional Lid from Rev-A-Shelf®.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
