## **5LB Series LEGRABOX Pullout Compost/Waste Center with Soft-Close from Rev-A-Shelf®**

No kitchen is complete without a pullout waste container, but the 5LB Series LEGRABOX Pullout Compost/Waste Center with Soft-Close from Rev-A-Shelf® is the ultimate luxurious addition. The sturdy 9-½” tall orion gray frame glides smoothly on integrated BLUM LEGRABOX slides and features a custom walnut insert that holds two 35 qt. waste containers for trash and recycling, and two 8 L waste containers for organic waste. One matching 35 qt. orion gray lid and two 8 L lids are included, one green and one white. Designed for 24” frameless base cabinets with ¾” side panels, this unit arrives fully assembled and ready to install. Compatible with TIP-ON or SERVO-DRIVE systems (sold separately).

### **About Rev-A-Shelf LLC.**

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf’s product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and has since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf®, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath, or closet. Under the Tresco Lighting® brand, Rev-A-Shelf® offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf’s primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, big box retailers, and an array of online web resellers.
