## Rev-A-Shelf® Announces Acquisition of Omega National Products

Louisville, KY – Rev-A-Shelf®, the leading innovator in home organization and storage solutions, proudly announces its acquisition of Omega National Products, a renowned name in wood cabinetry accessories, hoods, and components.

The strategic acquisition aligns seamlessly with Rev-A-Shelf's dedication to providing innovative, functional, and stylish solutions for the kitchen and bath industry.

The acquisition of the Elkhart, Indiana-based company reinforces Rev-A-Shelf's commitment to North American manufacturing and further expands our resources, extensive product lines, and international supply chain capabilities.

Omega National Products, recognized for its craftsmanship and dedication to excellence, has been a staple in the cabinet maker's industry for 78 years by serving major Kitchen Manufacturers, Distributors, and cabinet fabricators.

*"We are extremely excited for Omega National Products to join our organization. As we continue to make these strategic investments, this only strengthens our capabilities in developing wood organization products and accessories that our customers demand," said Steve Jones, GM/VP of Consumer Sales. "We truly believe our mutual customer base will benefit greatly from our expanded capabilities and supply chain options."*
