January 19, 2020

Base Cabinet Pullout w/Knife Block & Utensil Bin

Rev-A-Shelf's 448KB Series is now available for 9" full access base cabinets. The innovative pullout allows you to store knives, scissors and other utensils in one place. It features natural maple construction with a semi-gloss finish, chrome accents and comes with a two qt., removable stainless-steel bin, two knife blocks with flex rod technology and a set of flexible, easy to clean cutting mats. The unit glides on full-extension TANDEM slides with Blumotion soft-close, and door mounting is easy with our patented door mount brackets. (US Patent No: 8,388,076).

448KB-BCSC-9C 10-1/4" (260 mm) W x 21-5/8" (549 mm) D x 25-1/2" - 29-1/2" (648-749 mm) H
\$669.60

About Rev-A-Shelf LLC.

Established in 1984 as a division of Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers, and has since grown into the market leading innovator of residential cabinet storage solutions and LED cabinet lighting.

Rev-A-Shelf manufactures thousands of innovative accessories for your kitchen, bath or closet and with the acquisition of Tresco Lighting, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large OEM cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
