## **Sidekick Base Cabinet Pullout**

It seems we never have enough cabinet space to store everything we have, and where we end up storing things isn't always where we need them. But now you can have one cabinet work double and even triple time, with the addition of Rev-A-Shelf's innovative "448 Sidekick". The patent-pending design allows the unit to attach to our 448 Series pullouts with BLUM soft-close and slides independently, providing access to both the "sidekick" and the "hero" to which it is attached. Available in two configurations to store baking trays, foils, and wraps or adjustable shelves to store spices. It creates one cohesive multipurpose storage solution constructed from the same wood and chrome materials as our 448 pullouts. Ball-bearing slides allow it to glide effortlessly.

448-BSKT-3C - 3" Tray Holder Sidekick 448 Accessory w/ Full-Extension Ball-Bearing Slides SLP \$253.75

448-BSKS-3C - 3" Spice Holder Sidekick 448 Accessory w/ Full-Extension Ball-Bearing Slides SLP \$250.85
