## **Wood Pantry Pullout w/ Fulterer EZ Close Slide**

Maximize your storage space with this fabulous and functional pullout pantry. Riding on a Fulterer EZ close slide system with a top guide rail, it has stability that is second to none. The natural maple frame and adjustable shelves are complemented by chrome rail accents and provide customization to accommodate your unique storage needs. This unit is available in three heights and four widths. It features easy installation on our patented brackets that provide 5" of adjustability, a micro-trim adjuster, a telescoping rear wall, and all mounting hardware. US Patent No. 8,388,076

### **About Rev-A-Shelf LLC.**

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
