Pilaster Utensil Pullout w/ Blum Soft-Close

If you need a place to put your utensils, we have the ideal customizable solution with our 4PUT Series Pilaster Pullout. Designed for use with our pilaster system rails*, they fit 18" or 24" base cabinets, are made of natural maple, and feature up to five stainless bins, a chrome wire basket, and two small compartments ideal for smaller utensils. Customizable and easy to assemble, they glide effortlessly on Blum slides w/ soft-close and can be used alone, in multiples, or to create a custom tall pantry with the addition of our other pilaster drawers (sold separately). *Designed to be used with our 4PIL-21* Pilaster uprights

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
